FOR IMMEDIATE RELEASE

Talee Talee release MyChristmas compendium for iPhone

Following on from the success of iChoose, MyChristmas has been accepted into the Apple App Store in readiness for the Thanksgiving and Christmas holiday period.

MyChristmas is a collection of Christmas fun and happiness, with a warm and cosy feel that will make you happy and bring a smile to your face. Rather than a single application, MyChristmas bundles up something for all the family including; Christmas countdowns, Carol words (and history), Christmas music, games such as 'Snow solitaire' (a graphically rich version of Klondike Solitaire) and Christmas match. MyChristmas also features entertaining Christmas sounds, animated candles and a little something for New Year.

A video demo and screen-shots are available from www.taleetalee.com/MyChristmas.
